MEMORANDUM FOR THE RECORD

SUBJECT: DD/S&T Pre-COMOR Meeting, 29 June 1966

25X1A

2. Key issues discussed included:

a. I am to query Mr. Duckett as to his view on being asked to take his evaluation of the GMAIC mission (1033) to USIB, so that the CIA member of COMOR can initiate or support such a request. Since Mr. Duckett's briefing was later postponed, this action is deferred. In the same connection, the potential use by the Soviets of special mission tracks to identify high priority targets was discussed. Again this will be discussed with Mr. Duckett, GMAIC Chairman.

25X1A

b. With respect to the COMOR minutes, [REDACTED] agreed to extract and furnish to Pre-COMOR, the action items contained in the previous weeks (and earlier) COMOR minutes.

25X1A

c. [redacted] will notify COMOR that there would be more than the one week delay (from 25 June) in flight of [redacted]. The one week delay had been given COMOR on 23 June.
